WORK EXPERIENCE

Service Industry

Wet Willie's 2017-2020

Sandra's 2014-2018, 2020- present

I've had the opportunity to do it all here from navigating the ever-changing waters of customer service, to assistant management, to lead graphic designer. As lead graphic designer I execute various ad-based projects as commissioned by the owners, including a complete menu redesign.

Cypress Roofing

Graphic Designer 2022

While exercising my experience with Adobe Illustrator I was able to assist with an edit on the company's logo.

Graphic Designer 2022

I was able to execute an advertising campaign in collaboration with The Kerrville Daily Times Reader's Choice Awards and exercise information and visual hierarchy.

AHanz Illustration

Freelance Illustator 2021-2022

At clients' request I have completed various portraits, working with them throughout the process to exceed expectations and create an inclusive working relationship.

Pour Larry's

Graphic and Motion Artist 2020

Using graphic design and motion graphics I created promotions for two events, both of which resulted in sold out venues.
